# MWPTT User Guide

Micro Wireless Push-To-Talk | **CLARUS**

**CLARUS**          **MWPTT**

PTT A        PTT B

PTT A

PTT B
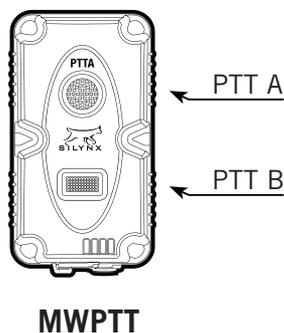

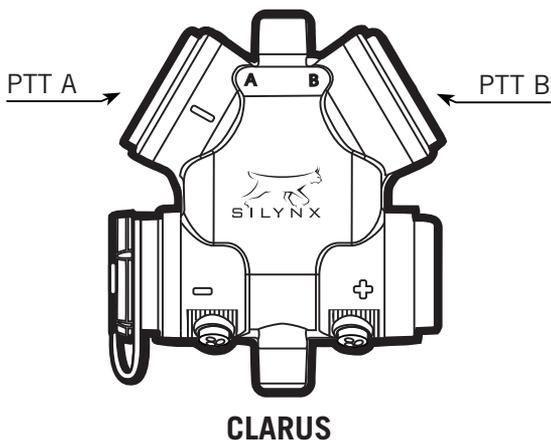

## INSTRUCTIONS

1. Power on CLARUS (Press and hold (+) for 5 sec).

2. Press any PTT 5 times within the first minute of system startup.

3. After fifth press of button wait to hear a slow beeping tone in the headset indicates the CLARUS is in pairing mode.

4. Position the MWPTT close to the CLARUS.

5. Press both buttons on the MWPTT (<PTT A>, <PTT B>) at the same time.

6. Three rapid beeps will indicate a successful pairing.

**Note: Pairing must occur within 60 sec after powering on the CLARUS.**
