

MWPTT USER GUIDE

Micro Wireless Push-To-Talk | **CLARUS**

INSTRUCTIONS

1. Power on CLARUS (Press and hold (+) for 5 sec).
2. Press any PTT 5 times within the first minute of system startup.
3. After fifth press of button wait to hear a slow beeping tone in the headset indicates the CLARUS is in pairing mode.
4. Position the MWPTT close to the CLARUS.
5. Press both buttons on the MWPTT (<PTT A>, <PTT B>) at the same time.
6. Three rapid beeps will indicate a successful pairing.

Note: Pairing must occur within 60 sec after powering on the CLARUS.
